

## 2019 CLUB EVENT CALENDAR

The event format will be the same as recent years. That being: Classes riding based on experience (no capacities) A. B. C plus an extra feature event on most days. On the days that we run the feature events, A. B.C grades will still be catered for. You will just get an extra ride if you have a machine (or a skirt) that is eligible for that days feature.

Although the calendar has been extensively researched, it is still liable to change due to unforeseen circumstances. So please check the website or club facebook page for any late changes. Camp overs are encouraged at all events, but check the terrain and facilities list below so that you can prepare your machine and your kit.

MONTH	DAY	TRACK	FEATURE EVENT
