# Mill Farm Scramble WANDERING

**Incorporating Round 2 VMXWA  
“World Championships British GP”**

[WWW.VMXWA.COM](http://WWW.VMXWA.COM)

The Vintage Motocross Club of WA is the leading body actively promoting Vintage Motocross racing in this state. The club runs a full winter season calendar from March through to around October using a number of venues, including natural terrain and established 70's era tracks. The racing is normally low key and the emphasis is on enjoying yourself and your restored machinery for what they were designed for— riding.

Today's event is our **only promoted premier 'Club Run'**. It is still run for, and by, the members of the Vintage Motocross Club so they can either have a race or simply have a bit of fun on their restored machinery.
